MLS® #E4404683

**\$109,900**

2 Bedroom, 1.00 Bathroom, 766 sqft

Condo / Townhouse on 0.00 Acres

Cold Lake North, Cold Lake, AB

This private condo is only two short blocks from the lake and there are at least 4 restaurants within about 5 blocks. This condo has seen many renovations over the years including new cabinetry; new flooring; a new vanity; and other upgrades. The condo building has 4 washers and 4 dryers, which are all coin operated, but this unit has its own European style washer/dryer combo. There is also a large storage area to place those items that are not regularly used, but since this is on the ground floor, a person could also store their bike or other valuable property. The condo is heated through a boiler with baseboard heat, and keeps toasty warm even when it is extremely cold outside. This could make a great investment property. Presently there is a tenant paying \$1,200.00 plus power. This could make a great revenue property at an affordable price. The property is professionally managed.

Built in 1978
