Are you dreaming about getting away from the city for weekends? It may just be possible - to your own half acre lot just steps away from the shore at Buck Lake. The lot has natural gas, power, holding tank and a drilled well in place. Originally there was a modular home on the lot, that has been moved off. Screw pilings are still in place for possible new development. Be wowed by incredible sunsets abundant wildlife, clean fresh air and a great location for fishing, boating, water sports ice fishing, sledding, cross country skiing and much more summer and winter fun. There is a community owned and maintained waterfront lot, boat launch and docks for your use. Only about 1.5 hrs drive from Edmonton and Red Deer and 2.5 hrs from Calgary will ensure that you get away, often. It's well worth the drive time in trade for the rest of the weekend. Don't let this amazing deal go to another city dweller with the same dreams!
