Hausers Cove, Rural Wetaskiwin County, AB

Check out this lot at the desirable Hauser's Cove on the West side of Buck Lake where much of the work has already been done. The 36' x 42' modular building (2014) set on pilings with gravel base has three separate bays that could all be developed into living space or partially developed with the balance being used for garage and storage. The 14' x 36' center bay, with drive through doors, is big enough to park your motorhome or RV and the two side sections, each being 14' x 36' could be developed as you choose. The 14' x 36' upstairs room, currently used as a guest room, could also be developed into cabin space or as a central gathering place for your family functions. The potential is endless! A drilled well, 2000 gal. septic holding tank and power are already on the property! The Fleetwood RV can go with the property if the buyer so desires. The firepit, storage shed, fridge, BBQ and picnic table stay with the property. A boat slip at the private boat launch is included with the lot.
