Offered for the first time in over 100 years, this unique property presents a chance to acquire three titled land parcels along the North Saskatchewan River. Known locally as the Popowich homestead, these lands are located on the north bank of the Beauvallon Crossing, offering over one mile of river frontage on title. The property is remote and surrounded by miles of crown land and community pasture, providing privacy and seclusion. Currently used for hay production, the land features approximately 160 acres of productive grassland. The lower bank along the river showcases fertile soil, with remnants of the original homestead and yard site still visible. A unique opportunity to carry forward the stewardship of this historic land.
